Proceeds Benefit Darrin May
from Mars, PA

On behalf of the Springfield Grille in Mars, I would like to thank all of our loyal customers, golf outing participants, volunteers and staff for another incredible year.

The generous support of individuals like you made it possible for us to raise \$20,000 for Darrin May and this will be extremely beneficial to him as he continues to recover from his recent stroke.

We are pleased to inform you that Darrin has made huge strides and has been released to go back to his home state of Idaho with his family.

Thank you again for your support!
